

MOVING AI

End-to-End

MOVING AI

INSTRUCTIONS

Welcome to the HEX puzzle!

This booklet is packed with puzzles to challenge your puzzle solving skills!

HOW TO PLAY

Pick a challenge, replicate the starting positions of shown pieces, then try to complete the board using the rest of the pieces (except for the "forbidden piece" which is shown off to the side of the board)

CHAPTERS

This booklet contains twelve chapters in total. The first six chapters contain puzzles that must be solved on the CLEAR side of the board, and the rest must be solved on the side that has bumps.

This shows the "Forbidden" place

CLEAR Side

(Logo at the bottom)

DOTTED Side

(Logo at the top)

Pieces of shown colors **MUST** share exactly **ONE** vertex

Pieces of shown colors must **NOT** share any vertices

Pieces of shown colors **MUST** share **AT LEAST ONE** edge

Pieces of shown colors must **NOT** share any edges (they **CAN** however share **ONE** vertex)
